Howdy!

I just spent a few minutes reviewing the council calendar, and I enjoyed seeing the many different council and district activities planned for the coming months. Everything from short daytime events to weekend camping activities, and all Scouting levels are included – Cub Scouting, Scouts-BSA, Venturing, Sea Scouting, and Exploring – there’s something for everyone! And, these activities don’t include all the awesome programs planned by local packs, troops, crews, ships, and posts for their youth and families.

As we near the end of March, I’m reminded that we’re getting close to the end of the program year and it’s time to begin planning for recharter. Last year summer recharter was new for everyone, so this year should be a little easier. I encourage all units to work with their leadership and parents to line up membership and leadership for the fall, as well as collect all the necessary registration fees before families scatter for the summer. For packs, please look for information coming from your district leaders regarding ‘Back to Pack’, a program used by the best packs across the country to organize their pack leadership and be prepared for the new program year.

Due to COVID-19, some units struggled with popcorn last fall and are finding their unit treasuries a little short this spring. The Camp Card program is a great spring money earning project for your unit that can help cover spring and summer funding needs to get you to (and through!) the fall popcorn season. Check in with your district leadership for more details.

We have started offering virtual merit badge programs for youth in Scouts BSA troops, and there are many different options coming up this spring. Be sure to check our council website and calendar for a complete schedule.

Finally, as we continue to celebrate our Centennial Year in GCC, don’t miss out on cool swag available only through our website, including a few limited-edition items that will be highly collectible. There are a variety of items available at various price points and they can all be viewed [here](#).

Leadership Inspired: Scouts in Action Video Interview with Troop 41

Each month the Council Connection is featuring Leadership Inspired Stories of Scouts in Action within our Scouting community to inspire, encourage and celebrate how they've made a difference with the Scouting movement in our Council! This month we celebrate Troop 41 from Central District. Their Charter Partner is First United Methodist Church and their Scoutmaster is Brian Cook.

"I earned my eagle in 1988 in troop 41 and by earning my eagle and having many great leaders as a youth, I felt inspired to continue the tradition of making troop 41 one of the best units in the Grand Canyon Council. So, after serving a few years as an assistant scoutmaster, I made the decision to become scoutmaster of troop 41 in 1998. Since my time as scoutmaster, I have learned to innovate and overcome many obstacles as a leader. The most recent obstacle being the pandemic that we are currently in. Without missing a beat during the last year, my scouts have stepped up and continue to answer the call of what scouting is about. They participate on weekly zoom troop meetings, help out with our local fundraisers (council popcorn sales and our annual Christmas tree sales).

Our scouts also provide community service by helping out on eagle projects and the annual scouting for food drive, as well as continue to earn merit badges and rank advancements and we still make time to go on monthly outings. Of course, as a leader, I cannot do it alone and it's so amazing how much fantastic parental support I have at the unit level. I cannot ask for a better troop to be a leader of." Meet Troop 41 Scoutmaster, Brain Cook, and Troop 41 Scouts BSA members: Eagle Scout, Nicholas, and Senior Patrol Leader, Soren, in this [Scouts in Action video interview](#).

Donor Recognition Event Featuring Videos from our Scouts and Scouters

If the Scout is in the same council using the Online transfer tool is the most efficient way to transfer a Scout from one unit to another. A paper application is not needed. A unit leader in the old unit or the parent can do the transfer.

Even though the event was on Zoom, we got to stop by and say hello to a few of our donors. Please enjoy a few videos from our Scouts highlighting our programs.

COUNCIL RECOGNITION

Grand Canyon Council's 2020 Council Honorees

Congratulations to our 2020 Council Honorees who received the following council awards and recognition for their outstanding contributions, dedicated years of service, and leadership to youth and Scouting in Grand Canyon Council. Throughout 2021 we will feature two of our distinguished award recipients in Grand Canyon Connection.

Christopher Kaup – Meritorious Service Star
Council Executive Committee

Chris currently serves on the Council Executive Board, representing Grand Canyon Council on the ad hoc committee of local councils in the BSA bankruptcy case. Most important is what he refers Scouting as “a positive platform for positive peer pressure”. His experiences in Scouting as a youth impacted him throughout his development and led to his ability to share these positive influences all his life! “What I have found as an adult when I was brought back into Scouting is that Scouting continues to be such a strong platform for positive peer pressure for all the youth I have seen, and for myself.” Scouting is facing profound challenges and Chris feels honored and privileged to serve on the Executive Board to help guide the council toward change for our future in the Grand Canyon Council. Congratulations, Chris upon receiving the Meritorious Service Star Award!

Cyrus Wes Morril – Silver Beaver Award

Wes serves as the Camping Chair and an Assistant Scoutmaster for Troop 39 in Lost Dutchman District. He works closely with our Council Camp Ranger conducting property improvement checks, offering construction support, and instituting safety measures for all our camps. As a lifelong Eagle Scout, Wes enjoys mentoring youth on their Eagle Scout journey, serving on NYLT staff and developing camping programs within his district. Wes serves his Unit by guiding youth to utilize their critical thinking skills to be better at their outdoor skills and improve their own leadership skills, guiding them to grow into a more efficient patrol in organizing and planning outdoor activities. As a servant leader, Wes has helped out at OA fellowships as camp medic as needed and is deeply involved in his community, sharing what he loves and has learned through Scouting, teaching his teaching and sharing his and Scout Spirit to everyone!

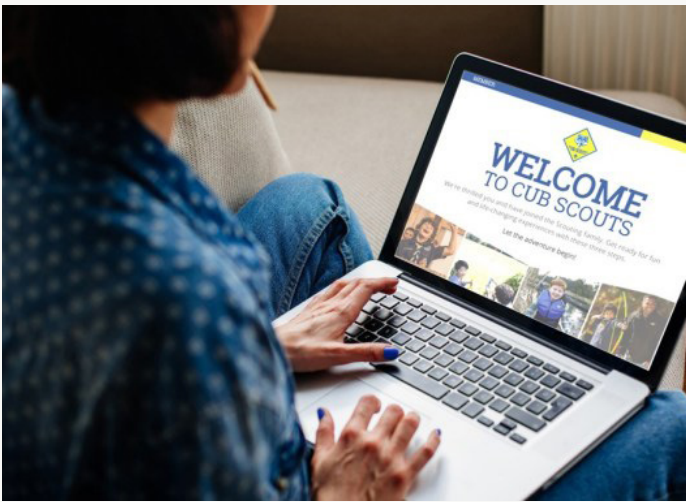

Visit our [2020 Honorees Page](https://www.grandcanyonbsa.org/2020-honorees) at [grandcanyonbsa.org](https://www.grandcanyonbsa.org) to view our 2020 Video Recognition and learn more about our 2020 council honorees and their impact on Scouting!

This is beneficial to units as they will not need to revisit new families for additional fees in a few months. The unit should list each new member on their recharter. The new member will show as “pre-paid”, so fees will not need to be collected *again!*

Blue Cards or Scoutbook Can Be Used to Track Merit Badges

Since the introduction of Scoutbook, the BSA has offered Scouts two ways of recording merit badge requirement completion: The Blue Card and Scoutbook. Both remain authorized methods to record merit badge work. Scoutbook is a part of the BSA Internet Advancement system, which means that entering an advancement record in Scoutbook is the same as entering it in Internet Advancement. Anyone with a BSA member ID automatically has access to a Scoutbook account through their my.scouting account. [Click here for reference.](#)

New! Scoutbook Features

A New Scout Calendar Editor Leadership Position:

A new Calendar Editor leadership position has been added for Scouts. When the Calendar Editor position has been added to a Scout in Scoutbook, by a unit leader and approved for the Scout, that Scout can use Scoutbook to create, edit, change RSVP responses and take attendance in the Scoutbook Calendar. A Calendar Editor has access to all of the unit's calendars. Once having the position, a Scout can access the calendar from the Events link on their Scoutbook Dashboard.

Den Chief Support:

- Den Chiefs are now fully supported in Scoutbook.
- Once connected:
 - » Den chiefs and their parents can be sent emails and calendar reminders from their den and pack
 - » Den chiefs are included in attendance records
 - » Den chiefs and their parents can view den and pack calendars
 - » All youth protection protocols are observed for den chiefs since they are still youth
- Currently a Den Chief must be added by the Troop then placed into the Den by the pack. A coming update will allow a Pack to add a Den Chief if the BSA Member ID and last name are both known. This will allow Packs that use Scoutbook to communicate with Den Chiefs in Troops that do not. See [Adding a Den Chief to a Pack](#) for details.

New Scoutbook Leader Invite

Scoutbook now prevents adults who are not registered leaders in the BSA from being added to the unit roster. This includes adding additional leadership positions to unregistered adults and unregistered adults adding leadership positions on their own. This is in preparation of the April 12 change where all unregistered adults are removed from unit rosters.

New! Scout Shop Hours

[The Mesa Scout Shop](#) will now be open on Thursdays from 10am - 6pm! Hours are now Monday-Friday 10am until 6pm! Saturdays 10am until 4pm!

BEGINNING April, 11, 2021. The Mesa Scout Shop will open Sundays from 11:00 am. until 3:00 pm!

CUB SCOUTS FAMILY CAMP

R-C Scout Ranch Cub Scout Family Camp

Calling all Cub Scout families! This June at R-C Scout Ranch our Cub Scout Family Camp is hosting 12 sessions for Cub Scouts and their families to attend! This year's theme for our camp is Super Scouts!

R-C Cub Scout Family Camp is an opportunity for Cub Scouts to form memorable experiences with their parents, grandparents, siblings, or even the entire family as they engage in Scout camp activities such as horseback riding, archery, shooting BB Guns, participating in crafts, art, and nature walks, catching crawdads in the creek, and much more! Adult participants get to enjoy all the same activities alongside their Cub Scout. Families are welcomed to attend on their own and make new friends, but Dens and Packs may also organize to attend a session and have fun camping together as a group!

Campers will have all meals and activities provided by the camp and camp staff; campers need only to bring their own tent, camping gear, clothes, and toiletries!

Each of our family sessions are capped at 200 participants, which are divided into ten camp sites with a maximum of twenty campers. We will arrange camp sites based on your pack, district, and/or rank. Each traditional family camp session is 72 hours long, running from Friday afternoon to Monday morning; parents who must return to work Monday morning can arrange to have an early check out with their Cub Scout early Sunday night, after closing campfire! Each family session is \$200.00 per participants, which includes three days of meals, activities, a patch, shirt, trained staff, and memories your Cub will love for years! Our first couple weekends always sell out, and there is no on-site registration, so try not to wait to sign up!

Our specialty sessions run each Monday afternoon through Thursday morning. These programs will have

Session	Dates
Family Session #1	June 4-7
Equestrian Session #1	June 7-10
Space	June 7-10
Family Session #2	June 11-14
New Girls Packs	June 14-17

Equestrian Session #2	June 21-24
STEM	June 21-24
Family Session #4	June 25-28

varying activities focused on one particular aspect of our summer camp program, such as more advanced programs for Webelos/AOLs, horse focused and additional riding opportunities at equestrian camp, and a session focused on new packs that are focused on girl Cubs only. Due to the limited capacity and additional program costs, fees for the specialty programs are \$250.00 per participants, and include everything that the traditional family camp does, in addition to the specialized programs.

Camperships are available to any or all Scouts with financial hardships. Campership applications must be submitted at least six weeks in advance.

Introduction to Outdoor Leader Skills

Central District, BSA is sponsoring the Introduction to Outdoor Leader Skills training sessions on May 1st & 2nd at the Heard Scout Pueblo at the base of South Mountain. This is a hands-on program that gives adult leaders a practical introduction to the patrol method of a boy-led Troop by teaching many of the outdoor skills they need to lead Scouts in the out-of-doors. In addition, the teaching methods, activities, and games model the variety of teaching used in effective and engaging Scouting programs.

There are only 35 slots available for this event, so registering early is important. Deadline to make the session is April 10th with registration closing on April 24th.

GILA RIVER DISTRICT

Gila River District Chair Update

As I write this, I have just completed National Camp School for short-term camping that is sponsored by our District. I attended with 6 others of our District leadership team and it reminded me how honored I am to spend time with such quality people seeking to provide meaningful adventure for our youth.

Doing activities, the right way, in a S.A.F.E manner, and following the guidelines outlined in our training will be the way we TAKE BACK SCOUTING!

We are TAKING BACK SCOUTING with awesome events this spring that I encourage you all to take advantage of in the great outdoors:

- [Pinewood Derby](#) on **April 24**— you got it – America’s favorite pastime – with wood and sleek lines!
- [District Spring Outing](#) - Backpacking on the Historic Arizona Trail and earning the Historic Trails Award.
- [Spring Training April 16-17](#) – not that, Outdoor Training (BALOO and IOLS)But just as fun!

Lastly, please do not forget to support our local Scouting program financially as you do with the gift of time. Unlike the high school wrestling team or the local competitive dance studio, we ain’t selling candy bars - we’re selling the adventure of Scouting and the results of successfully mentoring youth! Join the [1993 Society](#) and support our program today!

Yours in Scouting,
Kent J.Thomas / District Chair

Pack 71 Baloo the Builder

Character-Driven for a Quarter-century

Pack 8051 celebrated not only blue and gold this year, but their charter's birthday of 25 years. They joined with Troop 8051 and gathered for a ceremony. Most Cub Scouts earned their rank, and the second year Webelos earned their Arrow of Light and crossed over to the Troop as official Boy Scouts. They were also featured in the [Yuma Sun local newspaper](#)

Hank Day Parade with Troop and Crew 8051
